SoCal Water\$mart Program

About

myrainplan.com

The Turf Replacement Program offers rebates for converting lawns to California Friendly® and native landscapes. Funds are limited, so reserve your rebate and use the provided checklist for designing your landscape and applying.

The Money

Rebate starts at **\$3 per square foot** for eligible replacements.

Get **an extra \$100 per tree** added to your project for a maximum of five trees.

How to Qualify

- Plant three California Friendly® plants per 100 square feet.
- Incorporate stormwater retention features, such as rock gardens or rain barrels, to manage rainwater.
- Upgrade overhead spray sprinklers to a more water-efficient irrigation system.

Application Start

1. **Project Start Approval**
 - Before you begin your project or remove any grass, you must apply for a reservation at SoCal Water\$mart
2. **Use MyRainplan.com**
 - We handle all the paperwork, make sure you check every box, and find your local contractors familiar with the program and pay their upfront costs.
